**\*the witness shall not be the Nominee**

# DEATH BENEFIT RIDER

In addition to loan protection/ life savings insurance your Credit Union can now offer members the special **Death Benefit Rider, (DBR)** designed to relieve the burden of bereavement costs.

Recent market research indicates a demand among Credit Union members for this service.

There is a trend towards under – insurance in Ireland. In addition to this, the cost of funerals has soared in recent years, ranging from £1000 to over £4000 and is especially high in urban areas. Very few people realise the impact of funeral expenses on any life assurance benefit they have.

The addition of the **DEATH BENEFIT RIDER (DBR)** to the Life Savings Policy will give the Credit Union member’s family added security and relief from financial worry at the time of the death of the member.

For £15 per annum you are insured for £2000. This is a very high value-for-money scheme and ensures that your family has added support when it is needed most.
